Description

Situated at the end of a quiet cul-de-sac and accessed by foot, this property offers an exciting renovation project with plenty of scope to extend, subject to obtaining the necessary planning consents.

The property provides on the ground floor; an entrance hall, sitting room, dining room, kitchen with a door out to the rear garden and a shower room. Stairs from the hall lead to the first floor where there are 3 double bedrooms and a spacious landing. The property does require decorative attention and modernisation throughout.

Externally the property is approached across an open green area which leads into a private front garden. The garden wraps around the side of the property and opens out to a large south facing rear garden. The gardens are rather overgrown but offer a purchaser plenty of potential. Communal on-street parking is available on Chapel Way.

The property is heated by wall mounted electric heaters and an immersion tank provides hot water. We understand the property is connected to mains water, sewerage and electricity. There are

PV panels on the roof. We understand the property is freehold.
