

The Windsor Tapestries is a Grade II listed building that has been sympathetically refurbished to an exceptional standard. Soaked in history, it dates from 1876 when it formed part of the Old Windsor Tapestries Factory where Queen Victoria's tapestries were repaired and conserved. Originally designed under the patronage of Queen Victoria's son, the property is situated in well-manicured communal gardens with far reaching views and offers spacious and well-maintained accommodation. The property has retained an abundance of its original charm yet seamlessly blended with the luxuries of modern-day living. To the ground floor there is an entrance hall with storage and doors leading to the 16ft. reception room with the charm of two original bay windows, an open fireplace and wood herringbone flooring. This charm continues into the 16ft sitting room which leads through into the contemporary designer kitchen, utility area and downstairs shower room. There is also a downstairs guest bedroom which could also be used as a study. Rising to the first floor the grandeur continues into the Master Bedroom with a balcony and bay window, 16ft bedroom two and family bathroom. To the second floor the third bedroom measures 12ft. Style and quality exude throughout. Externally there is an enclosed courtyard garden and allocated parking and the property comes to the market with no onward chain allowing the possibility of a quick sale.
