The Property

The property is entered via an entrance porch into a welcoming hallway laid with oak flooring which leads into the kitchen. From the hallway there are two doorways opposite, each one leading into a lovely bay fronted fourth bedroom with feature fireplace and the other leading into a cosy sitting room, equally providing a lovely fireplace within built log burner and bay fronted window.

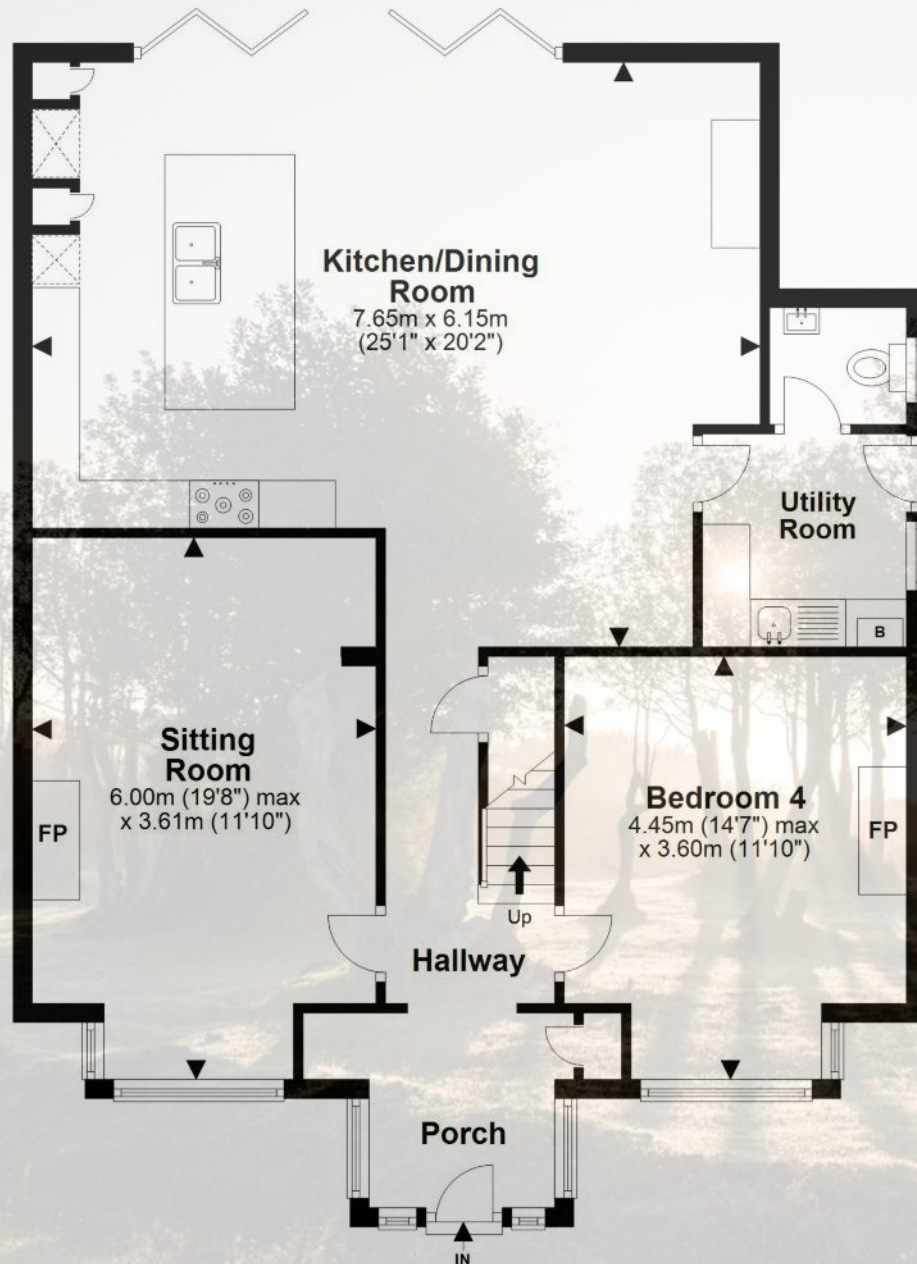

Through the hallway at the rear of the house is arguably the feature room of the property, which is the kitchen/dining room merging into family room providing an extremely social area of the house and bi-fold doors into the garden that truly connect the inside with the out. The bright and airy contemporary style kitchen itself provides both low level units, sat under a spacious worktop, and further eye level units providing ample storage. A five-ring gas hob and further integrated appliances such as dishwasher, double oven and wine cooler add to its list of benefits. A kitchen island provides further storage units, worksurface space and breakfast bar area and large space of a freestanding American style fridge freezer.

Flowing from the kitchen, this room provides both a dining area for more formal dining and a family area with ample space for sofas that surround a media wall with mounted TV. A utility room can also be accessed from this area providing further storage, wash basin and space for utilities and side access to the rear and front of the property, giving it the ideal use for a boot room if required. A downstairs W/C completes the downstairs accommodation.

Stairs from the main hallway lead to a first-floor landing where all further bedroom accommodation can be found. Two equally proportioned double bedrooms sit at the front of the property both having access to a four-piece family bathroom. The principal bedroom sits at the rear of the property with views over the garden and benefits from an en-suite shower room.

The house sits well within its plot and offers a nice front garden which is laid to lawn alongside the gravel drive with path leading to the front door. The rear garden is mostly laid to lawn with a lovely patio area from the kitchen, through the bi-fold doors, creating a stunning Al Fresco dining area.

Agents Note: Planning permission for a garage has been granted and the current owners have already started the work meaning the permission now goes into perpetuity.
