Outside

Front Garden

Block paved driveway providing off road parking for two good sized vehicles with potential to add further parking, there is a shared drive that leads between this property and the house next door which leads down to a further off road parking area.

Rear Garden

The rear garden has a flagstone patio but is mainly laid to lawn with timber fence and concrete posts around. The garden has previously housed a timber framed single garage however, this has been removed but could be reinstated without the need for planning as there has previously been one.
