WHAT THE OWNERS SAY

We purchased the home off plan and its really low maintenance. The downstairs space is nice and open, we like the spacious kitchen with space for a dining table, and the WC under the stairs is very handy, and provides a space to store cleaning equipment. The living room is sunny, with ample space for furniture, and becomes an extended space in summer by opening the bifold doors to the patio. Upstairs there are 3 bedrooms, 2 bathrooms and 2 large wardrobes for storage. The loft is boarded and provides a vast space for storage. Number 13 is at the end of the line of houses so has no passers by and the deeds include the end planted area and parking spaces. We can walk to the station or town centre in about 15 minutes, and by car we have quick and direct access onto the Mundells, even at rush hour, and all destinations leading off it. The house is a good distance from the nearest road so there is no passing traffic and at night Sterling Court is silent.
