Property Description

Downlea Cottages comprises eight semi-detached cottages arranged in a horseshoe-style close, with this particular property being positioned to the northerly edge and boasting a generous garden and forecourt. The accommodation has been sympathetically remodelled by the current vendors to create a large, open plan living space which features an open fire place and there is a dining area and kitchen, as well as a separate utility room with cloakroom. To the first floor there are three bedrooms. The principle bedroom has very generous proportions and offers an en-suite facility and there is a further double bedroom as well as a single third bedroom, all of which are served by a modern fitted family bathroom.

Gardens and Grounds

The front garden is primarily laid to lawn and there is a brick paved forecourt ideal for vehicular parking for several vehicles. The rear garden is split in to sections and there is a patio area spanning the rear elevation of the home. This leads on to a formal lawned section of garden which has an ornate pathway that leads on to a working kitchen garden and grow patch.
