within walking distance are the two large deep water marinas and sailing clubs for which the town has gained its status as a world renowned sailing resort, as well as an open-air seawater bath that was built in 1833.

Grounds & Gardens

The communal grounds are well tended with areas of lawn and there is a private area with mature hedges immediately opposite the patio of this corner ground floor apartment. The development has been very well planned with visitor parking and resident parking around the building and in front of the detached electrically operated garage that belongs to this apartment.

The Situation

The beautiful Georgian market town of Lymington, with its cosmopolitan shopping and picturesque harbour, is within easy reach of the property. Lymington has a number of independent shops including some designer boutiques and is surrounded by the outstanding natural beauty of the New Forest National Park. On Saturday, a market is held in the High Street, the origins of which probably date back to the 13th century. To the north is the New Forest village of Lyndhurst and Junction 1 of the M27 which links to the M3 for access to London. There is also a branch line train link to Brockenhurst Railway Station (approx. 5.5 miles) which provides a half hourly service to London Waterloo with a journey time of approximately 90 minutes.
