Description

Measuring an impressive 1,406 square feet, this larger-than-average three double bedroom home is situated within an exclusive development of just 14 properties, offering a rare combination of space, privacy, and countryside views. At the rear, the home enjoys beautiful open vistas over cropland, creating a peaceful and scenic backdrop.

The ground floor features a generously sized entrance hall with a cloakroom, leading to a substantial living room that spans the full length of the property. A standout feature is the panoramic glass bay window, flooding the space with natural light and benefitting from uninterrupted views. The stunning kitchen/dining room —also running the full depth of the home—includes French doors that open directly onto the well-tended rear garden, ideal for entertaining. A separate utility room adds convenience and completes the downstairs layout.

Upstairs, there is a spacious landing with a large airing cupboard, modern family bathroom and three double bedrooms. The master bedroom includes a recessed area perfect for a dressing space or additional storage, along with a private ensuite shower room. The second bedroom is exceptional in size, while the third bedroom offers lovely scenic views to the rear.

Externally, the private rear garden is mainly laid to lawn, with a patio area ideal for outdoor dining, and an area of stone chippings at the rear for low-maintenance versatility. Rear pedestrian access makes it easy to manage bikes, bins, and garden care. Although not allocated, there is ample parking in the courtyard to the front of the property.

The property benefits a high quality finish to include under floor heating throughout the ground floor, high quality kitchen with soft close doors and drawers, recessed LED spotlights to wall units, inset spot downlighters in all rooms, tv points to the kitchen and all bedrooms along with stone tiling to the entrance hall, cloakroom, kitchen and utility room. In addition there is an EV charger at the front of property, added by the current owners.

The property is freehold and is connected to LPG gas, electricity, water and septic tank drainage. Constructed by Neptune Group the current owners has enjoyed living here from new in 2022

which leaves circa 7 years remaining on the global home guarantee. There is an annual estate management fee to pay which we believe is circa £840 per annum.
