£130,000 Leasehold

45% Shared Ownership ***Vendor's comments:*** "I call my flat my sanctuary. It's been all mine for nearly 10 years and I have cherished every minute of living here. I never imagined being able to purchase my own home but the shared ownership scheme made my dream come true.

The light, the space, and the size of my room alone convinced me that this flat was ideal for me as soon as I saw it. The location played an integral part on my decision; convenient for work, commuting, shopping and dining.

Selling this place was not an easy decision for me, but it has come time to move on."
