Grounds & Gardens

A picket fence and gate lead to a flagstone footpath to the property and to the rear garden, where there is a south facing sun terrace, ideal for alfresco dining. The gardens are mainly laid to lawn incorporating specimen trees and ornamental shrubs.

Double five bar gates lead to a gravel driveway providing space for off road parking and to a useful summer house. An original ivy covered well is a particular feature. The whole garden is well screened and enjoys a good degree of privacy.

Situation

The cottage is situated in the very heart of Brockenhurst, a sought after village within the New Forest National Park. Brockenhurst offers a mainline railway station with direct links to London Waterloo and a good local community of shops and restaurants.

Approximately 4 miles to the south is the Georgian market town of Lymington with its famous Saturday county market, extensive yachting facilities and ferry service to Yarmouth, Isle of Wight. To the north is the village of Lyndhurst and Junction 1 of the M27 motorway which links to the M3 giving access to London.
