

Villars

Route De La Croix Au Bailiff | St Andrew | GY6 8SA

This detached Victorian villa has been recently extended by the current owners and provides an abundance of living space as well as five bedrooms. While this wonderful family home is in move-in condition, there is potential to further develop by rearranging the social space and kitchen areas to create something very special. This characterful house is located in the centre of the island with quiet lanes on the doorstep. Accommodation comprises lounge/diner, open-plan dining room/sunroom, kitchen, five bedrooms, three bathrooms and a utility room. The property benefits from a large site with a beautiful, mature garden to the side which is accessed off the sunroom, as well as having a field which is predominantly lawned but with a small orchard area. The field has vehicle access and benefits from a block built outbuilding which has power and lighting. Parking is provided by a gravel driveway which can facilitate a number of vehicles and there is also a detached single car garage/workshop.
