## ROOM DESCRIPTIONS

### WHAT THE OWNERS SAY

We have absolutely loved living in this home. When we purchased it as first time buyers, we saw the potential to transform it into something special and invested a great deal of time, care, and attention to bring it back to a warm, modern family home. We've maximised the space throughout the property, with each living area being well proportioned for both everyday living and hosting friends and family. The garden has been one of our favourite features, particularly in the warmer months. Being south-facing, it enjoys sunlight from morning through to dusk, making it a wonderful space to relax and entertain. The area itself is very quiet, with minimal traffic and a real sense of community. Our neighbours have been a pleasure to get to know during our time here. We will be genuinely sad to leave, but we hope the next owners enjoy the home as much as we have and create many happy memories of their own.
