Externally

The whole of this property, including the buildings, the land and the gardens have been exceptionally well cared for by our clients with much love, care and dedication culminating in what you see on the photographs today.

There are two good lanes to either the main farmhouse or to the Cottages so if a new owner were to rent out Willow and Oak Cottages your privacy isn't disturbed by guests arriving and leaving as they have their own access.

There is a large vegetable/fruit garden with numerous raised beds and a large polytunnel perfect for "growing your own".

Around the house there is a large Indian Sandstone patio and three decking areas with greenhouse, private house garden and a Railway Carriage..

On the border there is a little stream which has a pretty little pond area adjacent to it brimming with wildlife.

Near the Cottages is a "chill out" area with a quality hot tub (included) with views over the surrounding countryside.

In addition, there is a parking bay to the right as you come down the track towards the house - our vendor has had wiring installed to this point so any future owner can install a car charger should this be required.

Outbuilding With Garage And Gymnasium

7.85m x 3.92m (25' 9" x 12' 10")

Garage measuring 13' 9" x 24' 10" (4.20m x 7.56m)
and Gymnasium measuring 25' 9" x 12' 10" (7.85m x 3.92m)

This detached building is currently split in two with a separate garage and incorporating the gymnasium with larch Vaulted a-Frames, wood burning stove

with glass hearth, insulated, fully rendered, double glazed, electric sockets, laminate floor, modern electric radiator The gymnasium of course could just as easily be used as a home office if preferred as it is over 30 sq meters in size.

Office Building

Amounting to some 6.518 acres all in the land is split into 4 main enclosures and completely surrounds the house, one paddock on your right as you arrive, two to your left as you arrive and a further strip of land running up from the Garage and Gymnasium building bordering the stream.
