## AN IMPRESSIVE WATERFRONT DEVELOPMENT

Milton Mill is an impressive waterfront development built by H&H Properties (UK), Dundee who is a well-established company with over 30 years' experience in building quality homes throughout Tayside and Angus. For sale are the last remaining stylish apartments within Block G; all have south westerly views to the River Tay and the Tay Estuary over to the North Fife coastline.

Located on the west most boundary of Milton Mill all the remaining apartments have three bedrooms, 1 bathroom with shower-over-bath and 2 en-suite shower rooms, underfloor gas fired central heating and are completed to a high standard. The contemporary design includes spacious open plan lounge/dining/kitchen, a fully fitted kitchen including integrated Neff appliances, a private terrace or balcony, en-suite shower room(s) and a family bathroom with shower over the bath. Practical benefits of the apartments are the mirror fronted built in wardrobes and a handy storage cupboard in the hallway.

The entrance foyer and stairwell are spacious and bright with an elevator service available to the upper level landings. Each apartment has an allocated parking space and available to all residents is the use of the communal garden spaces. Additionally, there is visitor parking on site. The common areas are managed by a factor and there is a factoring fee payable monthly for the upkeep of the all communal grounds. It also includes building insurance, lift maintenance, cleaning of the common landings, stairwells and elevators. There is the added advantage of a small convenience store on site.

(Please note the of the internal images showing furniture are for illustration purposes only)

## TYPE 2

Total area: approx. 119.2 sq. metres (1283.1 sq. feet)

# MONIFIETH

The Angus Town of Monifieth lies on the Eastern outskirts of the City of Dundee and straddles the A930 Dundee to Carnoustie coastal road route, approximately six miles from Dundee City Centre.

The map displays the town of Monifieth with various local amenities marked by blue dots and labels. The amenities include: Arbroath Road, Monifieth Medical Practice, Monifieth Golf Club, Tesco Superstore, Millenium Forest, Grange Primary School, Monifieth High School, Co-op, Milton Mill, Balmossie Train Station, and Broughty Ferry Beach. The map also shows the A92 road and the coastline of the Firth of Tay.

## LOCAL AMENITIES

The town sits on the Northern shores of the Firth of Tay, towards the mouth of the river, and has a popular sandy beach and costal walk ways. The town is a popular place to live due to the range of amenities within the High street and the straightforward road and rail links it has to the surrounding towns and cities. Schooling at primary and secondary levels is catered for and there are schools within a reasonably short distance from the development. There are varied shopping and commercial facilities in Monifieth with more comprehensive facilities available within Dundee and Broughty Ferry, a relatively short travelling distance away. Dundee is well connected to all parts of the UK and further afield by means of road, rail, air and sea and is linked to North Fife by means of the Tay road and rail bridges. Monifieth is situated only four miles to the West of Carnoustie, a popular golf destination which occasionally hosts the Open Championship.
