A well proportioned and versatile three bedroom, mid-terraced house boasting scope to extend as well as a very generous rear garden. No forward chain.

### Property Description

The property offers deceptive and versatile accommodation that comprises of a living room, dining room, kitchen and rear lobby to the ground floor with three double bedrooms and family bathroom to the first floor. The home has also been double glazed and benefits from gas fired heating and in our opinion there is scope to extend (STPP).

### Gardens and Grounds

The front garden is laid to lawn which has a decorative brick border and there is a driveway suited to two vehicles. A shared arches walkway gives access to the rear garden which is split in to three principle sections and is approaching 100ft in length. There is an area of hardstanding which forms a patio across the rear elevation of the home and this gives access to a kept lawn. Beyond the lawn there is further hardstanding and an area that could easily be used as a kitchen garden. There is a variety of wood-built potting sheds.
