A wonderfully presented two bedroom apartment, part of a Grade II listed building conversion from 2018 and forms part of Hicce House, a highly sought after development which is situated off of Brand Street in the town centre. The white façade and large Georgian windows aided the design of the properties and gave them a light and airy feel with the high ceilings adding to the space and character.

The apartment is part of a gated community which benefits from a secure video entry system. Leading through the main entrance the property features modern and ample living spaces, including a large open-plan living room with a dining area and a contemporary fitted kitchen. From here is an inner hallway that provides access to the principle bedroom with an en-suite shower room, guest bedroom and a family bathroom. This apartment benefits from two separate entrances, one through the main door to Hicce House and one through the common area of the building. There are annual parking options, details available on request.

We have been advised by the vendor that the remaining lease on the property is 120 years, the service charge is £2,497 and ground rent is £350 per annum (as advised by the vendor).

Hitchin is a charming medieval market town and has many fine Tudor and Georgian buildings, particularly around the market square. Near to the market square stands the large medieval parish church of St Mary. The town provides good shopping as well as a swimming pool, football team, two theatres, a wide variety of restaurants and pubs and highly regarded girls and boys schools. There is also a mainline railway station providing direct access to Kings Cross and Cambridge.
