This stunning Grade II Listed barn conversion is set within an exclusive development with electric gated access, and offers a blend of character features with contemporary styling. Mainly laid to lawn, the extensive garden extends to 144ft x 88ft (at widest points) with post and rail fencing making the most of the 'borrowed landscape' of the neighbouring paddock land. The beautifully presented accommodation features a wonderful kitchen/breakfast room, complete with Aga electric range oven, open plan to the dual aspect dining/family room with bi-fold doors to garden, providing the perfect space for the family to gather, dine and entertain. In addition there is a 22ft dual aspect living room with log burning stove and French doors to rear, useful utility, cloakroom/WC and study/boot room. The first floor offers three double bedrooms, all having the benefit of fitted storage with the principal bedroom having en-suite facilities. A four piece family bath/shower room with traditional style suite including roll top bath completes the accommodation. Parking is provided both to the front of the property (with electric vehicle charging point) and in front of the double garage with twin electric doors. Improvements in the past year include refurbished oak flooring to ground floor and renewed flooring to first floor (where stated). Whilst enjoying the slower pace of semi-rural village living, convenient commuter links offer the best of both worlds with rail stations at Harlington (4 miles) and Leighton Buzzard (5.9 miles) providing a direct service to the capital from 30 minutes, plus road links via the A5: 0.7 miles and M1(J12): 2.7 miles. EPC Rating: D.
