LOCATION

Ty Newydd enjoys a private position, not overlooked and not having near Neighbours. It sits nicely within its own land of approximately 15 acres and is intersected by a 'C' road. The property lies 10 miles North from the University Town of Lampeter, 18 miles South from the University Town Coastal Resort and Administrative Centre of Aberystwyth and 9 miles inland from the Cardigan Bay Coast at the Georgian and Harbour Town of Aberaeron. Therefore offering privacy, ruralness yet convenience.

GENERAL DESCRIPTION

A delightfully positioned and secluded residential smallholding of approximately 15 acres. The property itself has undergone comprehensive refurbishment and renovation over the last decade and now offers an impressive country property with 3 double bedroomed, 2 bathroomed accommodation and a stunning open plan kitchen/living area that has totally transformed the property to provide a fantastic country home/Family home.

Externally the traditional range of outbuildings consists of a Cow shed/cart house that currently offers a great workshop and studio space but could alternatively be converted to offer further living accommodation (s.t.c.) To the rear lies a lean-to conservatory, wood shed and garden store.

A log cabin is also positioned within the garden curtilage which could offer itself as a home office, further studio, potential Airbnb, etc.

In total the land extends to approximately 15 acres. The majority of the land (11 acres) are paddocks and split into seven enclosures offering good productive pasture, being boundary fenced, and having good gated access points.

A particular feature of this property is its magical secret garden area that truly needs to be viewed to be believed. The garden has been a labour of love to the current Owners which they have transformed to now offer an idyllic country setting. The garden offers a variety of different styles of garden, be it the moss garden, vegetable growing, Rose garden, water garden, along with two stream fed lakes, young orchard and a wild flower area. In all creating a truly one off masterpiece with a number of rare tree species.
