DESCRIPTION

39 Whitaker Road is an impressive semi-detached home set in the sought after Mulberry Park development in Combe Down. Finished to a fantastic standard throughout, this home offers contemporary living whilst being situated in the historically rich city of Bath.

As you enter the home through the front door, you are welcomed by a useful entrance hall. From here you have access to the downstairs living space and the first floor. To the left-hand side of the hallway, you are greeted by the living room. The current owners have utilised the space and added their own touch with engineered wood flooring throughout the property. At the rear you have the kitchen. The kitchen is finished to a high spec, with a range of wall and base units, an integrated fridge freezer, a built-in dishwasher and washer/dryer, a four-ring electric hob and oven. There is also a very useful utility room, with built-in base units. There is a further large W.C.

On the first floor first, you are greeted by a spacious landing which will give you access to all three bedrooms and the family bathroom. The main bedroom is located at the front of the property and is showered in natural light, thanks to the large window. There is also a good sized ensuite, fitted with a walk-in shower, a W.C and a basin. The second bedroom is located at the rear of the property and is a generous size with the added benefit of having built-in storage.

The third bedroom is also located at the front of the home and is currently being used as an office, but it could very easily be utilised as a bedroom as required. The family bathroom is fitted with a three-piece white suite with a bath, a W.C and a basin. The attic is very large, half-boarded and has a loft ladder.
