

## 1 Sycamore Clos

Collings Road | St Peter Port | GY11GG

This detached family home is of modern construction and provides spacious accommodation and low maintenance living. The property is offered to the market needing cosmetic upgrading however it will be minimal as the owners are currently renewing the carpets throughout, installing laminate flooring to the lounge and are replacing the Venetian blinds. Number 1 Sycamore is located on a small clos of similar houses and within walking distance of the town centre and other key St Peter Port amenities. The accommodation is shared over three floors and comprises a large lounge/diner, dining room (which could be partitioned to create a fourth bedroom), a kitchen, three double bedrooms each with en-suite bathrooms and a WC. To the front of the property is a lawned area bound by hedging and a granite wall. A pathway leads to a side patio area which then continues to the rear. The rear paved area provides a private outside space but also links up to the driveway so there is an option to park multiple cars, if required.
