In brief the accommodation comprises an entrance hall with a beautiful tiled floor and staircase rising to the first floor landing. The dual aspect family room enjoys a fireplace housing a wood burning stove and the sitting room to the opposite side of the hallway has a bay window to the front and a fireplace with inset gas fire and marble hearth and surround.

This in turn leads to the detached double garage and a pathway leads to the front entrance door with a small area of mature garden to one side. A personal gate to the side of the garage leads through to the enclosed gardens at the rear. There is a spacious entertaining area which is block paved and a step up leads to the lawned gardens which have an abundance of mature flowerbeds and borders housing a wide range of plants, shrubs and bushes. A focal point of the garden is the centre gravelled seating area with wooden pergola over. There is a large pond within the garden along with a vegetable area. The gardens are encompassed by fencing and walling.
