Redwood Farm, Withy Road East Huntspill TA9 3NW

 4  1  3 EPC C

£735,00 Freehold

Level, with easy access, this 3.8 acre plot is home to a fabulously spacious, high-spec, four-bedroom barn conversion with gardens; a substantial block built 40' x 30' barn; extensive parking; and planning permission for a double garage with home office.

Set on one parcel of land, this exciting, versatile plot could accommodate any number of uses with the extent of its land, its contemporary barn conversion to a four-bedroom home, a second identical size barn which has not been converted, and planning permission for a double garage with a home office above it.

The barn conversion is over two floors with light, well-proportioned rooms throughout, with underfloor heating and integrated Bluetooth and speaker systems in all the rooms. On the ground floor, the kitchen/dining room looks out over the garden and field beyond on one side and it has French doors on the other which allow light to flood in. It has beautiful, polished marble floor tiles and is fitted with an array of wall and base units and a central island with stunning granite work surfaces. Integrated appliances include two eyelevel ovens, induction hob, a microwave, fridge, freezer, wine fridge, and dishwasher. There is ample space for a dining table and other furniture. A bright, spacious

sitting room opens out to the garden via a glazed wall of bifold doors. Of the two bedrooms on this floor, one is a large room with fitted wardrobes and an ensuite shower room; and the other is currently used as an office. There is also a useful utility room and a cloakroom with WC.

Upstairs there are two absolutely stunning 22' x 14' bedrooms, each with its own ensuite shower room, built-in cupboards, and access to eaves storage. Tiled floors over underfloor heating run throughout making this a stylish, contemporary and versatile space.

Outside

Electric gates swing open to reveal a vast parking area at the entrance to a level plot of approximately 3.8 acres. The two barns have equal footprints, with one converted into a desirable contemporary home and the other offering substantial space for any number of uses. Between the two barns, planning permission has been granted for a double garage to be erected with a home office on the first floor. Surrounding the converted barn there is fenced garden and a large shingle terrace. The rest of the land can be accessed directly from beyond the barns and gardens in one practical parcel.
