The Situation

Mudford enjoys a spectacular location with Christchurch Harbour on one side and Christchurch Bay on the other. Mudford was originally a fishing village; today picturesque Mudford Quay, at the mouth of Christchurch Harbour, continues this legacy.

The Quay is a focal point for the area and is popular with families going crabbing as well as water sports enthusiasts. There are stunning views to Mudford Sandbank and across Christchurch Bay to the Isle of Wight, while a promenade heads east to sandy Gundimore and Avon Beaches. A ferry service from the Quay takes pedestrians across the harbour mouth to Mudford Sandbank. This sandy peninsula is a glorious destination with its continental vibe and colony of colourful beach huts - the most expensive ones in the UK!
