- Residential development site with existing 2-bedroom cottage and consent for development to create a total of 4 dwellings
- Potential to utilise existing dwelling or alternative schemes, subject to any necessary consent
- Central location, nearby railway station and local amenities

Description

Residential development opportunity to create four dwellings and alter the existing access in the heart of Gillingham, Dorset. It is a level site currently comprising existing end-terrace two bedroom cottage, garden and hardstanding yard area. There is consent to redevelop the site to create 4 dwellings or, alternatively, it may suit different schemes or potential to utilise and improve the existing cottage, subject to any necessary consents.

Location

Gillingham is an attractive thriving market town with a good range of amenities including supermarkets, a pharmacy, bank, post office, doctors' surgery, along with pubs and cafes. Gillingham further benefits from a mainline railway station to London Waterloo (approx. 2 Hours) and is located circa 4 miles from the A303 giving access to the Southwest and London via the M3, whilst the A350 provides access to the coast as well as the M4. The area provides several highly regarded state and private primary and secondary schools and numerous countryside pursuits including, golf, horse riding, cycling and sports centres.

Planning

Planning consent was granted, subject to conditions, for the change of use and conversion of the existing building to create 3 dwellings and erect an additional dwelling creating four dwelling in total.

Further details can be found via the Dorset District Council Online Planning Portal using reference P/FUL/2022/00601. Interested parties must satisfy their own planning investigations.
