## NEASDEN LANE, LONDON, NW10 0AD

We are pleased to be able to bring to the market a rarely available ground floor shop with office to rear and residential two storey upper part which is offered for sale freehold.

The shop measures some 1,100 sq ft with office to rear of approximately 250 sq ft additionally and there is a self-contained two storey residential maisonette over the first and second floors which is currently let on an Assured Shorthold Tenancy until June 2026 at £2,100 pcm.

The ground floor shop and office have recently been used as separate lock-up business units but could easily be reverted back to a single shop and office.

The property is situated in the heart of busy Neasden Shopping Centre adjacent to such multiples as Tesco, the Post Office, Cost Cutter and various other High Street retailers and occupies a commanding position whilst having the additional benefit of a rear service road affording separate access to the maisonette above and to the office to the rear of the shop. Local bus services are available at Neasden Shopping Centre and the nearest underground Station is Neasden (Jubilee Line).

The seller has obtained planning permission for a two storey extension to rear (plans available at our office)
