Description

Green Acres is a well presented, detached village home with wonderful countryside views, mature gardens, stables, driveway parking for multiple vehicles with a garage and car port and a heated outdoor swimming pool. All in all, the plot measures approx. 1.5 acres.

The property is approached via a country lane which opens into a large, gated driveway with parking for multiple vehicles in addition to the garage and car port.

Internally the accommodation is well proportioned, naturally light and well presented. There is a large double aspect living room which is a wonderful space with a wood burning stove that takes centre stage. Looking across the gardens to the side of the property is a very spacious dining room with room for a large table and chairs, a perfect area to entertain up to 10 and enjoy family living.

The kitchen/breakfast room is a large space with a fabulous feature floor to ceiling window looking over the gardens. The current owners have recently installed a brand new kitchen which has a range of wall and base units and an integrated oven an oil-fired Aga, room for a further table and chairs and access into the gardens. There is a large utility room/boot room which provides lots of useful storage, room for dogs and there is a downstairs shower room.

On the ground floor there are two double bedrooms (one of which is en-suite) and a further shower room, making a comfortable configuration for multi-generational living, with two further bedrooms on the first floor.

Outside

Externally, Green Acres enjoys a large plot measuring approx. 1.50 acre with the ability to park up to 6 vehicles in addition to the garage and car port.

There are gardens on all four sides of the property which benefit from a very good degree of privacy. Areas of lawn are beautifully decorated by a wide variety of plants, shrubs and trees. To the back of the house, with the most incredible far reaching countryside views, our vendors have installed a heated outdoor swimming pool measuring 36 feet by 16 feet, which has recently had a new pump installed and a new liner with a 30-year guarantee. There are also two 12 x 12 stables and a store.

Adjoining the door from the kitchen is an excellent seating area for al-fresco dining and a great space for get-togethers and parties.

Agent's Note

There are solar panels, from which our vendors earn on average between £2,000 and £3,000 per annum.
