WHAT IS SHARED OWNERSHIP - Under a shared ownership lease, the leaseholder buys a 'share' of the property and pays rent on the remaining share of the property which remains in the ownership of the landlord. The leaseholder can buy further shares in the property (at the market value of those shares at the time of purchase), until he or she owns 100%. Buying further shares is referred to as 'staircasing'. As the leaseholder buys further shares, the rent will be reduced proportionally to reflect the fact that the landlords interest in the property has reduced. The leaseholder is obliged to pay 100% of the ground rent & service charge.
