## Additional Information

### About the Area:

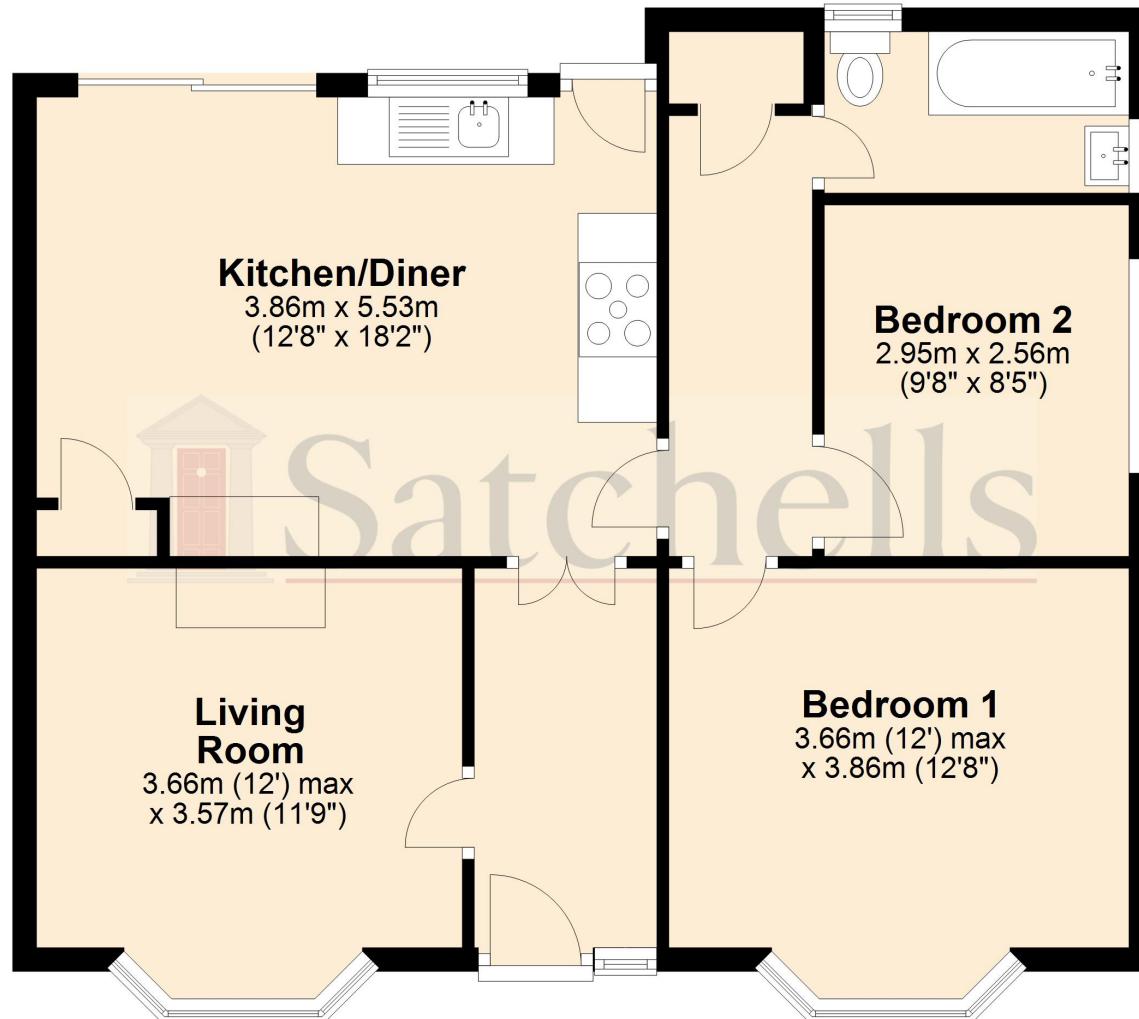

Letchworth is the world's first 'Garden City' combining the best elements of town and country living according to the vision of the town's founder Ebenezer Howard. The area offers plenty of outdoor options including the Garden City Greenway and Norton Common's 60 acres of grassland and woodland close to the town centre. Letchworth offers tree-lined avenues, wide walkways, relatively uncongested roads, and a wealth of shops, coffee houses, and restaurants. Letchworth train station offers a regular service to King's Cross. There are also rail services to Cambridge and the North via Peterborough. By road, Letchworth is just off the A1 Junctions 9 & 10 and approximately 22 minutes from Junction 23 of the M25. The M1 North can be accessed via the A507. Luton Airport is only around 12 miles away.
