ABOUT WELWYN GARDEN CITY

Welwyn Garden City, founded in 1920 by Sir Ebenezer Howard, is recognized as one of the first garden cities in the world, blending urban living with lush green spaces. The town was designed to offer residents a balance of residential, commercial, and agricultural environments while promoting community spirit. Over the years, Welwyn Garden City has developed a rich history, with iconic architecture reflecting its early 20th-century design principles. Amenities in the town include a vibrant town center with a variety of shops, restaurants, and cafes, as well as cultural venues. Residents can enjoy a selection of parks and nature reserves, which offers walking and cycling paths. The well-connected public transport options, including the railway station with direct services to London, make it an attractive location for commuters while maintaining a charming, community-focused atmosphere.
