# Las Orquideas La Manga Club

**£290.000**

Ground has now been broken for this new development! Las Orquídeas is an exclusive collection of 42 freehold apartments ideal for personal use or investment that will be developed as modern, light-filled residences with quality finishes that the clients can choose from the beginning. With lift access and parking outside, this development is going to take the Resort to the next level. Underfloor heating in the bathrooms, electric blinds, and integrated top to the range fitted kitchens are some of the fine features that characterize these apartments. With stunning views of the Mar Menor, their spacious terraces and the community pool will let you enjoy the Mediterranean sun to the fullest. These are the last central development of new-build homes at La Manga Club, just a 5-minute walk from all the shops and restaurants.
