### Property Summary

Immaculately presented 0.87-acre residential property comprising an extended and modernised 3-bedroom detached bungalow, finished to a very high standard throughout in landscaped grounds, with a modern 60" x 30" steel portal framed workshop building and large gravel yard area, suitable for a range of uses, situated in a popular village of Four Roads.

## Full Details

### Overview

Oakland comprises a 0.87-acre residential holding comprising an extended and modernised 3-bedroom detached bungalow, finished to a very high standard throughout, to include an open plan kitchen – family room, with glazed gable end, opening out onto the garden, as well as a master bedroom with en-suite shower room.

Externally, the bungalow benefits from a landscaped wrap around garden, with large lawn area and ample parking, in addition to a 60 x 30 modern steel portal framed workshop building, for particular interest to car enthusiast, builders / trades, suitable for a variety of uses. A further small paddock and large gravel is situated beyond, providing useful parking areas or a range of other uses.

### Situation

The property is situated in the popular semi-rural village of Four Roads, being 3 miles equidistant between the historic town of Kidwelly and the large village and community of Pontyates, being home to an established range of amenities and services, to include convenience stores, public houses, eateries, bilingual primary school, village / town halls and medical centres. Ffoslas Horse Racing course and Glyn Abbey golf course is also within 3 miles of the property.

The county town Carmarthen, and the large town of Llanelli, can both be reached within 9 miles equidistance, providing an excellent range of amenities, national retailers, supermarkets, local hospitals and train stations.

### DETACHED BUNGALOW

The property has recently been modernised and extended, finished to a very high standard with uPVC double glazing windows and doors throughout, modern fixtures and fittings to include Bosch & AEG appliances and USB power sockets, in addition to a newly installed air source heating system with double radiators and 10 4.3kw solar panels on the roof of the property.

### Grounds & Gardens

The property is approached off the highway via a gated gravel driveway entrance, leading to the front of the property with ample parking area for multiple vehicles. The gravel lane continues down past the bungalow and lawned garden to the modern workshop building. The yard surrounds the building, with a further large yard area beyond and a small paddock / grassed area, providing useful storage / parking areas for vehicles, machinery, etc and a range of other uses.

The bungalow benefits from a low maintenance front garden area with sleepers and concrete steps leading up to the front door of the property, with gravel paths leading around the property. The grounds are landscaped with bark, shrubbery and bushes, with a large decking area off the living area providing excellent entertainment space overlooking the expansive lawn grounds. There is also a useful garden store to the rear of the bungalow, plus hot and cold water taps and outdoor electricity points.

## Modern Workshop Building

Built of a steel portal framed construction under a pitched box profile sheeted roof with concrete block walls elevations and roller shutter door access and pedestrian side door, extending to 18.06m x 8.66m (59' 3" x 28' 5"). Power and electricity connection with EV charging points. Water connection outside.

The building will be of particular interest to car enthusiast, builders / trades, being suitable for a variety of uses.
