A superb and highly convenient town house positioned just off Lymington High Street with both a courtyard garden and separate garage as well as views of the masts on Lymington Quay.

The Property

This very attractive modern home has been recently renovated by the current owners. The design philosophy has been to remove enclosing, unnecessary walls to create a light and open living space above and beyond similar properties. New glass balustrades on the stairs were chosen to enhance the sense of space in the flexible accommodation over three floors. On the ground floor is an open plan kitchen / living room with a further study that has been incorporated into the living space to create a distinct feeling of space. The kitchen features a range of modern fitted units and integrated appliances as well as having French windows that open onto a courtyard garden.
