## ACCOMMODATION

Offered for sale with no onward chain and nestled in a truly picturesque semi rural setting, this stunning 19th-century detached cottage was originally two workers cottages which were acquired by the present owner in the mid 1970's. Since then it has been meticulously renovated, improved and extended with a two storey side extension, single storey rear extension and the addition of an entrance porch and cloakroom to the left hand side. It now offers the perfect blend of period charm and modern convenience and must be viewed internally to be fully appreciated.

As you step into the entrance porch, you are greeted by a sense of warmth and character that flows throughout the entire property. The ground floor boasts four inviting reception rooms providing ample space for entertaining or relaxation. The heart of the home is the impressive 18ft L-shaped kitchen/breakfast room, beautifully fitted and offering wonderful views of the garden, paddock and countryside beyond. A utility room adds practicality to the layout.

On the first floor the original landing area has been opened up into a former fourth bedroom area to create a large area which is now used for home office space but could easily be reverted back to create an additional bedroom. In addition there are three generous double bedrooms which offer peaceful retreats with the main bedroom featuring a juliet balcony and offering views across the garden, paddock and countryside. The family bathroom is again generously proportioned and features a five piece heritage suite with a freestanding double end bath and a separate shower cubicle, perfect for unwinding after a long day.

Externally the property enjoys a road frontage in excess of 300ft. To the immediate front of the house there is a hedged boundary and a driveway provides off road parking for up to three cars and access to a large detached double garage with a generous workshop area to the rear, ideal for storage or hobbies.

The overall plot extends to almost 1.8 acres with the right hand side of the property being formal gardens which extend to around 0.32 acres and are predominantly lawned with mature trees, shrubs and an abundance of flower beds and borders all of which serve to provide a tranquil outdoor space. Adjoining the property to the rear there is a separate 1.45-acre paddock which is predominantly left as meadow land with mature trees and at the top end features two natural wildlife ponds, creating a haven for nature lovers.

Additional features to note are gas fired central heating, double-glazed timber-framed windows and private drainage.

This unique property offers the opportunity to own a character-filled home with extensive grounds, providing a peaceful and private lifestyle in a semi rural location within easy access of local villages and transport links.
