ACCOMMODATION:

The house is perfectly liveable in its current form and presents a well-maintained base for occupation while also offering clear scope for a purchaser to modernise, reconfigure or personalise to their own specifications. As such, it will appeal both to buyers seeking an immediately usable home and to those looking for a property with potential to add value over time.

Internally, the accommodation is arranged over two floors and benefits from good proportions throughout. All rooms enjoy an abundance of natural light which is enhanced by the property's orientation and aspect. The rear of the house faces south, ensuring excellent sunlight to the principal living spaces and the garden for much of the day. The layout provides three bedrooms on the first floor, all of which are large enough to accommodate double beds. There is a first floor bathroom and downstairs WC/ Utility room which could also be transformed into a second bathroom.

This represents a rare opportunity to acquire a detached home in a tranquil village setting with generous gardens and significant potential to personalise. We recommend arranging a viewing to fully appreciate what this versatile home can provide to you.

OUTSIDE:

Externally, the property sits centrally within its plot, with driveway parking to the front providing off-road parking. The gardens extend to just over a quarter of an acre in total, with the rear garden being a particular feature due to its south-facing aspect and open views over the surrounding landscape. The outdoor space offers ample room for landscaping, extension (subject to the necessary consents), or the creation of defined seating and recreational areas.
