

This four bedroom semi-detached family home is situated on a substantial corner plot backing onto open countryside and is offered to the market with ample potential for further extensions and redevelopment (STP). The property is set on a 1/3 acre plot (approx.) and was built in 1900.

The ground floor features three reception rooms with the inclusion of a 15ft bay fronted living room, a 16ft dining room and a 10ft family room. There is also a 16ft fitted kitchen, an adjoining utility room and a downstairs cloakroom.

To the first floor there are four well-sized bedrooms, a three piece family bathroom and a further three piece shower room. The landing provides access to the loft (fully boarded).

Externally, the gardens surround the property and plenty of privacy is provided by the tall trees to the rear and side. There is a concrete terrace immediately to the rear of the property and a further paved terrace providing a delightful entertaining space. To the front of the house there is off street parking for four cars in addition to the 19ft double garage.

This property is an excellent family purchase or project buy due to its generous size and secluded location. There is the potential to extend onto the side, rear and/or into the loft (STP).

External

The rear garden, in our opinion, is a particular feature of this property being predominantly laid to lawn with well stocked flower and shrub borders. There is a concrete terrace immediately to the rear of the property and a further paved terrace providing a delightful entertaining space. The whole of the garden enjoys a high degree of privacy and seclusion and provides ample space for further extension, subject to the necessary permissions being obtained.

The property is approached over a driveway providing off street parking (for four cars) leading to the double garage and garden.

Adaptions

- It is worth nothing the property is run on oil heating and includes a septic tank.
