

Located in one of Englefield Green's desirable cul-de-sacs, this six-bedroom detached family home offers over 4,500 sq. ft. of well-planned accommodation, combining generous proportions, modern design, and high-quality finishes throughout. The property also benefits from an integrated garage, a large south-facing rear garden, and ample in-and-out driveway parking.

The ground floor opens into a sleek and stylish entrance hall, tiled throughout and setting the tone for the home's contemporary finish. You are instantly impressed by the natural light flooding in from dual sets of bi-folding doors, drawing you into the stunning open-plan living area of approximately 30ft. This space seamlessly blends indoor and outdoor living, with direct access to an immaculate raised patio and private garden. The living area flows into a high-specification kitchen with a central island, ideal for both entertaining and everyday use. The sense of luxury continues into a substantial dining room, offering flexible use for formal or informal dining. The ground floor is completed by a front-aspect office, cloakroom, utility room, and internal access to the integrated garage.

On the first floor, the sense of space, luxury, and style continues. The principal bedroom is a suite in its own right, featuring a dressing room and a luxury four-piece en-suite bathroom. There are four further double bedrooms and two additional bathrooms, three of which have built-in wardrobes.

The top floor offers exceptional flexibility, forming an independent living area with a large L-shaped media room or sixth bedroom, along with a kitchenette and shower room—ideal for guests, older children, or multi-generational living.

Externally, the property boasts a large in-and-out driveway, an integrated garage, and a south-facing rear garden. The garden features a raised patio, vast lawn, and mature planting, creating a private and attractive outdoor space. A detached outbuilding offers two additional storage rooms.
