Tide End sits in a superb elevated position which provides beautiful views across the Lymington River. The house is conveniently positioned for access to the facilities of Lymington High Street as well as the open spaces of the New Forest National Park which lies to the north.

The wide open spaces of the New Forest National Park lie just to the north and offer endless walks and cycle rides. Lymington has a picturesque high street with a weekly market as well as a range of independent shops, cafes and restaurants. It is a renowned sailing centre with two sailing clubs alongside a choice of marinas. The house, being close to Lymington, qualifies to apply for a river mooring for a boat although this could be subject to a waiting list.

The property features a spacious shingle gravel driveway, providing ample parking and convenient access to a tandem garage equipped with an electric roller shutter door, a workshop area, and loft storage. The charming garden to the rear, enclosed by Victorian brick walls, is beautifully landscaped with a well-maintained lawn. Hidden by a wealth of mature flowerbeds are found vintage apple trees, raised vegetable beds, a potting shed and a play den. A paved seating terrace adjacent to the house offers an idyllic outdoor space. The garden attracts a wonderful variety of birdlife, as does the river environment to the front.

Both Lymington and Brockenhurst afford fine schooling (both state and private) with the latter having a tertiary college.
