PROPERTY DESCRIPTION

House Fox Estate Agents (BoS) are pleased to offer this fully refurbished four bedroom detached bungalow just a stone throw from the seafront & town centre of the popular seaside town of Burnham-on-sea.

Originally constructed in 1962 and designed by architects Higson, Brown & Stuckey for Mr Brown's personal use, the property has now been extensively updated and modernised, with a spacious double garage/workshop and off-street parking for multiple vehicles whilst retaining a substantial mature plot.

The bungalow offers highly versatile accommodation, making it an ideal choice for those seeking a spacious, high-quality home or those requiring multi-generational living arrangements. The layout provides potential to create a self-contained annexe within the existing footprint, catering to a dependent relative or alternative needs.

Significant upgrades have been carried out, including the installation of a new central heating system, complete re-wiring, and the fitting of double-glazed windows throughout. The insulation has been comprehensively improved, and new flooring has been laid, comprising carpets, laminate, and vinyl in the utility areas and bathrooms. Additionally, the roof coverings have been replaced, enhancing the property's overall quality and efficiency.

Externally, the property boasts a generously sized workshop, ample off-street parking and an extensive, mature rear garden that enjoys a sunny aspect and a high degree of privacy.

Situated in a highly sought-after residential area, the property provides convenient access to local amenities and the scenic coastline.

This unique property represents a rare blend of character, modern comforts, and excellent location, making it a truly exceptional opportunity and we recommend an early viewing in order to fully appreciate both the accommodation & gardens.
