## DESCRIPTION

This exceptionally well presented, detached, extended village home enjoys a spacious plot accessed off a quiet country lane within the village of Norton St Philip, a fantastic area between Frome and Bath.

The front door firstly leads into a large, naturally light entrance hall. The first door takes you through to a well-proportioned room at the front of the home that was formerly the living room and more recently has been used as the master bedroom due to the extension providing more reception space at the back of the property.

The extension connects to the kitchen/dining creating the most incredible, open planned, naturally light space that is ideal for family life and indeed anybody that enjoys entertaining and hosting dinner parties. A very 'Retro' set of wall and base units add character to this open space. There is room for a large table and chairs and a large opening into the extension, another living area with Velux windows and large sliding doors onto the enclosed and private back gardens. There are also three further bedrooms and a bathroom.

## OUTSIDE

There is driveway parking to the front for up to four vehicles. The single garage has been converted into an excellent home office space/studio/workshop which includes power, light, internet and double doors onto the gardens.

The rear garden is a mature, well stocked, peaceful and sunny space with a variety of plants and shrubs decorating. There is a large seating area adjoining the extension and a lawn beyond with a further seating area beyond.
