A lovely Country House sat on 2.5 acres with outstanding far reaching rural views.

Manor House is situated in Stoney Cross conveniently positioned on the outskirts of Lyndhurst. The house has been subject to a scheme of significant improvement and renovation and offers a very stylish and well proportioned Country House. All the principal rooms benefit from magnificent views over the well maintained grounds which include a good sized swimming pool.

A super house offering flexible accommodation over two floor. A most welcoming entrance hallway gives access to the five reception rooms. At the heart of the home is a splendid 'live in' kitchen family room perfect for informal modern day entertaining, with great views over the grounds.

The five bedrooms are well proportioned with the majority benefitting from their own facilities and again gorgeous views.

Whilst offering ample accommodation arranged over two floors the house retains an intimacy with a lovely flow through the home.

The grounds have a heated swimming pool inset into a large patio area ideal for al-fresco entertaining. The majority of the garden is laid to lawn and again offers a great degree of seclusion and privacy. To the front of the home is an ample car parking area also ideal for caravan and boat storage.
