PROPERTY DESCRIPTION

An opportunity to acquire a rather deceptive property. Enjoying accommodation much larger than would first appear, this four bed, two bath semi-detached home is well positioned to enjoy a most attractive outlook. With much to offer, and scope to make it your own, don't miss out on Cherry Tree Cottage!

Formerly part of the laundry house to the mansion within the neighbouring grounds, this delightful property enjoys a mix of styles, from a living room that wouldn't go amiss in a Victorian manor house, to the more recent extension in the form of the delightful sun room, which affords panoramic views towards the Pennines.

Like the variety of styles demonstrated throughout the property, there is an excellent degree of versatility to the accommodation, which briefly comprises entrance porch to side with a cloaks area, entrance hall with boiler room and utility cupboard, shower room, bedroom 2, study/office, generous kitchen, spacious living room and a delightful dining area which extends into the sun room providing ideal relaxing space to enjoy the nature and wildlife than can be seen in the garden. To the first floor, there are three further double bedrooms and a family bathroom.

Due to the sizeable windows to the ground floor and Velux windows to the first, the property enjoys a superb amount of natural light streaming into all of the rooms.

Externally there is ample parking for several vehicles, a double garage with power and lighting, and a substantial garden with a pleasant combination of flagged patio areas, lawns, a pond, raised vegetable beds, potting shed and greenhouse, all of which enjoy a backdrop of the beautiful Pennines.
