DESCRIPTION

A substantial four-bedroom family home situated within the ever sought after village of Beckington, on a good-sized plot and offering generous and extended living accommodation.

The home is entered into via a small hallway which gives access to the first reception room which is utilised currently as a lounge, and stairs that rise to the first floor. The lounge is a naturally light space, with a beautiful wood burner as the focal point of the room. A large window overlooks the front of the plot, and a door leads from the lounge, into the kitchen/diner.

The kitchen/diner offers ample storage, with a range of wall and base units and a small peninsula - perfect as a breakfast bar or as extra preparation space. There is space in this room, for a dining table, or a small island if desired. French doors lead out from the dining area, onto the rear garden. From this room, there is access to the spacious utility area with w.c. adjoining, and the utility room also leads through to the second reception room and the garage.

The utility room has plenty of space for freestanding appliances and has further storage space. To the rear of the home, is the second reception room which is a wonderful size and has been utilised as a second sitting room but could suit a variety of different uses such as a playroom or study, or even a guest room if required. French doors lead outside onto the patio area.

On the first floor, the staircase leads off separately, onto two small landing areas which provides access to the four bedrooms and family bathroom. Bedroom one is a very generous size and has ample space for a double bed and additional furniture. Bedrooms two, three and four are also good size double rooms, with bedrooms three and four benefitting from built in wardrobe space. Our vendors currently utilise bedroom four as a home office, fitted with spacious, purpose-built desks and plenty of shelving, which could remain at the property dependent on the purchaser's requirements.

The family bathroom is a very generous size, with w.c., wash hand basin and bath with shower over. A window allows for plenty of natural light in this room.

OUTSIDE

To the front of the property is a large driveway, suitable for at least three vehicles, and this leads up to the single garage with up-and-over door. There is a garden area to the front, which is currently flowerbeds, and this is separated from the neighbour's plot by a shared pathway.

To the rear of the home is a good size garden which is predominantly laid to lawn and leads down to a further lawned and bedded area which boasts beautiful and mature shrubs and plants. There is a shed in situ, along with a small greenhouse.

This wonderful garden, perfect for children and pets, backs onto open fields, providing you with the most beautiful view, all year round.
