

MILLENNIUM
RISE & TERRACE

London Road West, Bath, BA1 7DD

Millennium Rise

Two exquisitely designed homes combining absolute luxury and ultimate sophistication: Affinity & Serenity.

Meticulously designed and hand crafted, these stunning properties exude luxury. Steeped in the heritage that is synonymous with the finest ashlar stone and housed under a natural sedum roof, the aesthetics of these buildings are both understated on arrival and immediately breathtaking on entry.

Accommodation.

5 Bedrooms | 3 En-suites | Bathroom | 5th Bedroom or Office |
Living & Dining Space | Kitchen | Concealed pantry |
Cinema room | Utility | WC | Double Garage | South facing garden.

Serenity

Affinity

Address to impress

Arrival through the private, gated driveway sets the mark for this house.

Ideally situated within 3 miles of the World Heritage Bath city centre and the historical village of Batheaston, this truly is an address to impress. Upon entry to the ground floor of the property is a striking, spiral staircase winding down to the garden level and spectacular south-facing country views.

Photo is partially a computer generated image.

Interior spaces

Sumptuous spaces with embellished finishes and exquisite detailing.

Entry through the front door welcomes you onto the impressive gallery landing and beautifully detailed spiral staircase which immediately highlights the craftsmanship and attention to detail within the property. The bedrooms located on the ground floor give the house a sense of tranquility on arrival.

The spiral staircase leads down through the double doors to the elaborate and generous living space. The full width sliding doors open out onto the garden and panoramic countryside views.

Kitchen like no other

The beautiful kitchen, hand built in Portugal, has been designed to a fine specification.

From the impressive walnut central island with state-of-the-art appliances to the concealed butler's kitchen, this kitchen is truly like no other. Custom coated soft metallic paint gives the cabinetry a real sparkle and reflects the natural quartz stone worktop. A space to entertain the family or wow dinner guests.

Bedroom suites

Uninterrupted countryside views, bespoke walnut wardrobes and incredible en-suites.

A principal bedroom akin to a luxurious hotel suite. The broken plan en-suite boasts twin blown glass basins, large jacuzzi bath and walk in shower all wrapped in a broken plan walnut room divide.

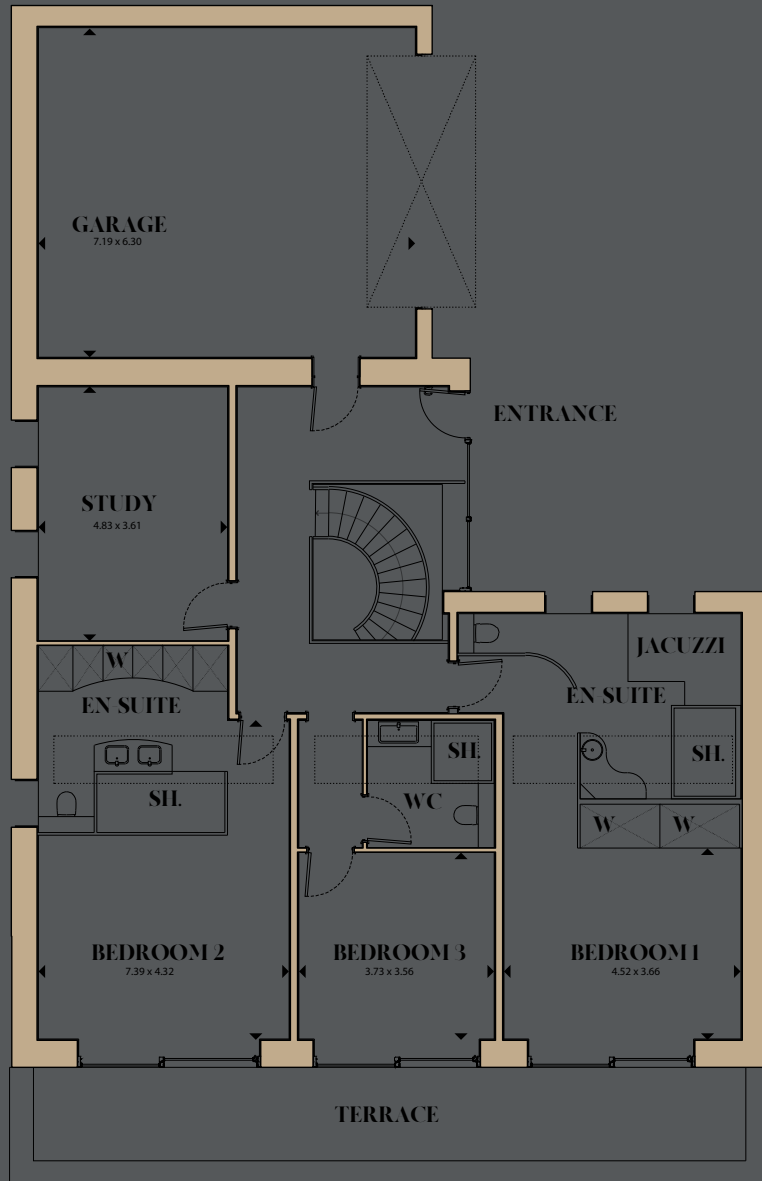

Finishing touches

The details that make this a truly unique, bespoke home.

Estimated energy costs of dwelling for 3 years: £2,499

Estimated energy costs of this home

	Current costs	Potential costs	Potential future savings
Lighting	£486 over 3 years	£486 over 3 years	Not applicable
Heating	£1,638 over 3 years	£1,638 over 3 years	
Hot water	£375 over 3 years	£375 over 3 years	
Totals	£2,499	£2,499	

These figures show how much the average household would spend in this property for heating, lighting and hot water and is not based on energy used by individual households. This excludes energy use for running appliances like TV's, computers and cookers, and electricity generated by microgeneration.

Energy Efficiency Rating

The graph shows the current energy efficiency of your home.

The higher the rating the lower your fuel bills are likely to be.

The potential rating shows the effect of undertaking the recommendations of page 3.

The average energy efficiency rating for a dwelling in England and Wales is band D (rating 60).

The EPC rating shown here is based on standard assumptions about occupancy and energy use and may not reflect how energy is consumed by individual occupants.

Millennium Terrace

Four, spectacular, traditionally styled, terraced houses with a contemporary twist.

Intricately designed these properties are awe-inspiring on every level. Following Georgian style architecture and traditional Bath stone frontage these four houses are flawlessly presented. The rear of the property, over 5 storeys, has a commanding and contemporary townhouse elevation.

Accommodation.

5 Bedrooms | 3 En-suites | Bathroom | 5th Bedroom or Office | Kitchen |
Separate Living & Dining spaces | Cinema/Entertainment room | Utility |
2x WCs | Underground parking garage for 4 cars | Balcony |
South facing garden.

Finest contemporary living

The gated, underground garage immediately sets the grandeur of this five storey house.

Enter the property through the central feature staircase to the garden level where the large living space opens out onto private roof terrace gardens. Elevated and uninterrupted countryside views are seen from every floor. Boasting five ample double bedrooms, family kitchen, en-suites and family bathroom, space for home office and a large cinema room, these are ideal family homes in the most desirable of locations.

Interior Spaces

Traditional mews terraced living with an abundance of space and extensive countryside views.

Classic and traditional from the street these mews townhouses have a commanding elevated position on the countryside beyond. From the underground parking with cinema or entertainment room to the expansive open plan living space and garden these properties are finished to the highest standards. The two principal bedroom suites are generous and luxuriously equipped. Two more ample bedrooms, one with a further en-suite and a potential fifth bedroom or home office give these properties exceptional living space with breathtaking views from every level.

Bath

Nestled in the village of Batheaston and surrounded by renowned areas of Outstanding Natural Beauty.

The World Heritage city of Bath has a wide array of offerings from the culture, arts and media the city attracts, to the rich Georgian architectural history and the world class sports facilities. The distinguished University of Bath and Bath College both headline the calibre of education throughout the schools in the area.
