Property Summary

"As I walked around this house, I couldn't help but feel like this was just a special property." - Matthew Gilbert, Branch Partner.

Available to the market is this truly inspiring four bedroom detached home found within a private gated community. The property is only five years old and was developed and built by TG Designer Homes. Not only has this property been well thought out and finished to a high standard but also benefits from underfloor heating powered by an air source heat pump, PV's and triple battery storage. This has been installed recently and has further improved the cost efficiency of this energy conscious home.

As you enter this unique home you are met with a grand entrance hall which leads through to the various rooms to include kitchen/breakfast room, utility room, dining room, formal lounge, TV lounge and WC. To the first floor there is a master bedroom with dressing room and large ensuite shower room, three further double bedrooms and a family bathroom.

Externally to the rear is quite an impressive secure landscaped garden with access to the double garage to one side with its driveway for two further vehicles.

Situated in the rural area of Lenham Heath this home is found within close proximity to the village of Lenham with its shops, restaurants and facilities which include schooling, doctors and library. There are also excellent commuter links with easy access to the M20 as well as a mainline railway to London Victoria, London Bridge and London St Pancras via Ashford International Station. Please book a viewing without delay.
