Aqir

Rue Des Renouards | Ruelle de la Tour | Castel | GY57TX

This detached house is in a prime Castel location, sitting in an elevated position behind The Rockmount boasting stunning west coast views from The Guet to Grandes Rocques. While Aqir is currently habitable, it is in need of complete renovation. There is also the potential to demolish the existing property to build a brand new home. The current accommodation comprises large lounge/diner, kitchen, two double bedrooms, a shower room, a utility room and a WC. The large garden to the side and rear is predominantly laid to lawn with a patio area. There is currently no parking but there has previously been permission granted to create spaces to the front. There is also the possibility to enter a rental agreement for parking a few hundred feet away.
