THE BUILDING. Horizon House is part of the former government research facility buildings, now in private ownership and known as London Road Industrial Estate, not far from the town centre and large Tesco store. The 4 floors and outbuildings at rear are variously divided into workshops, offices and studio units with a wide range of users, all with their own secure 24/7 access, sharing toilets, kitchen areas and other communal facilities, including a cargo lift, all maintained to a high standard to provide a pleasant work space. The building is wired for free to use broad with option for VOIP.

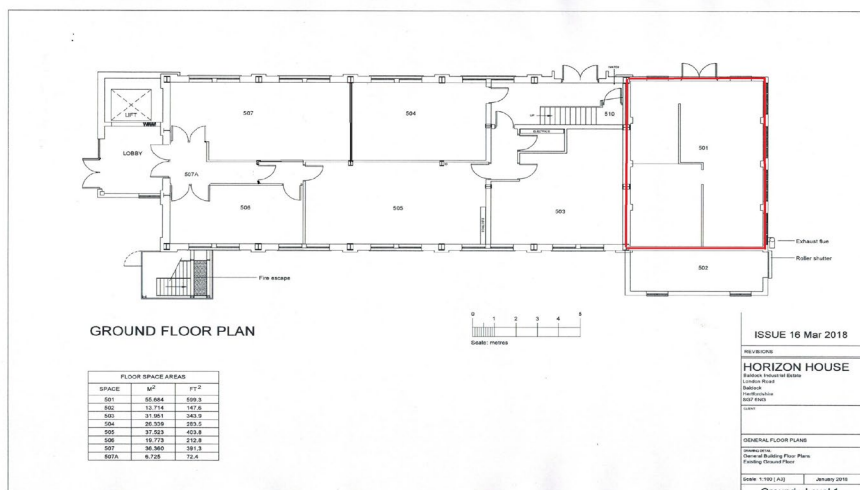

ROOM 501: This is about 600 sq. ft. located on the ground floor at the front of the building, prominent in the photo, with easy direct access for the outside through double side doors. It is eminently suitable as a workshop with, we understand a 3-phase electricity supply and mains water. (It was formerly a laundry).

INCLUSIVE RENTS. Assuming expected consumption of electricity and water, which to this room are separately metered, the rent also includes rates, heating, lighting and electricity, cleaning, broadband and maintenance of all common parts such as shared toilet facilities, with 24/7 access.

TENURE & TERMS. Lettings will be 'outside' of the LL&T Act for up to 3 years with options for the landlord to break at any time after the first year on giving 3 months' notice. Rents are payable quarterly in advance (even if you see the rent quoted monthly). There will be rent reviews on the first and secondary anniversary dates, with increases geared to the RPI. A rent deposit of one quarter's rent will be required. The lease is a stock document in plain English, keeping set up costs to a minimum and facilitating early completion.

PARKING: There are few on-site parking spaces available on a first come, first served basis. However, there is a nearby estate car park or many use the extensive parking to the rear of the Tesco store.

VIEWING: By appointment. Please call Satchells Commercial on 01462 600900
