

This exceptional family home is a truly unique Edwardian property that offers the perfect blend of outstanding character features mixed with stunning modern living.

The home is a deceptively large property which is located within walking distance of some of the best local Grammar Schools such as Upton Court Grammar School and St Bernards Catholic Grammar School, making it the ideal location for families of all ages.

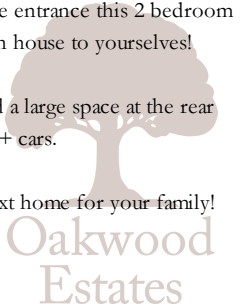

The current owners have done a wonderful job at refurbishing the property up to the highest order and the result of this is an outstanding FIVE bedroom home which is completely ready to move in to without any work needed at all. The home is very deceptive from the outside and space is offered in abundance, measuring just over 2500 sq ft.

The accommodation has been spread across three floors. As you enter the ground floor you walk through a welcoming and bright entrance hallway which provides access to a downstairs WC. The main reception room on the ground floor is a large family sitting room which has huge patio doors to the front allowing this spacious lounge to be completely flooded with natural light. Completing the ground floor is a huge 22ft kitchen/diner. This space really does provide the "wow factor" and is perfect for entertaining guest or the entire family to spend time together. As we make our way upstairs you are greeted with three good size double bedrooms with fitted wardrobes and two separate modern bathrooms. The master bedroom to the front has access to a private balcony which wraps around the front and side of the house. The property has had brand new windows, GCH radiators and much more fitted within the past few years.

Due to the style and character of this build it has allowed for the creation of an almost self contained annexe on a lower ground floor. The space on this lower ground floor comprises of TWO large double bedrooms with fitted wardrobes, a full bathroom and an open plan kitchen/living /dining room. This wonderful space can be accessed via stairs in the entrance hallway or by a completely separate entrance to the rear of the property. Due to the separate entrance this 2 bedroom annexe is perfect for those looking for a space for parents, guests or even a potential to rent out this area and still have the entire main house to yourselves!

To the rear the garden has been landscaped and is now extremely low maintenance with artificial grass, a covered outside dining area and a large space at the rear which offers space for an outbuilding in the future. A driveway to the front and side allows for allocated parking for 5+ cars.

This wonderful family home is completely different from anything else out there on the market currently and it could be the perfect next home for your family!
