DESCRIPTION

Constructed in 2025, the house presents an attractive double-fronted façade, framed by planted borders and a welcoming approach to the front door. Stepping inside, a bright and notably spacious entrance hall sets the tone for the accommodation ahead. To the right, the superb open-plan kitchen/dining room enjoys a dual aspect, ensuring the space is filled with natural light throughout the day. The contemporary kitchen features sleek handleless cabinetry, quality integrated appliances and a central island with seating, while the dining area opens directly onto the garden, perfect for entertaining or relaxed family living. There is also ample room for a cosy snug area. On the opposite side of the hall, the sitting room is a generous and comfortable space with a large window to the front and French doors opening onto the garden. Additional ground-floor conveniences include a sizeable utility cupboard and a cloakroom.

Upstairs are four well-proportioned bedrooms, three doubles and a single, offering excellent flexibility for families or those working from home. The family bathroom is tastefully fitted with modern tiling, bath and shower over. The master bedroom benefits from its own en-suite shower room. All front-facing windows have been fitted with discreet privacy screens, allowing you to enjoy open views without compromise.

OUTSIDE

To the side of the property, a driveway leads to a well-equipped single garage with power and light, accompanied by driveway parking and an additional allocated space. The rear garden is a particular feature: a generous, level and fully enclosed plot with patio areas ideal for alfresco dining, and a lawn that provides a safe haven for children and pets or a blank canvas for enthusiastic gardeners.

The Old Printworks remains highly regarded for its quality of construction, triple-glazed windows and doors, higher-than-average ceilings and its excellent position within the town. It has a flourishing homeowner network including an active book club as well as social and gardening groups - offering a wonderful balance between community, convenience and contemporary living. A path alongside the home leads directly out to the river and a selection of country walks.
