“Luxurious high specification 5,100 sq ft family home providing stunning open plan living in this premier location”

FREEHOLD PRICE £1,500,000

Simply stunning, spacious, modern detached family residence, thoughtfully designed and built in 2020 to a high standard, incorporating a vast open plan 65ft 1in x 22ft 3in kitchen/family/living space alongside a formal lounge and four first floor double bedrooms, served by two stylish and luxury en-suites and a family bathroom.

Other benefits include engineered oak flooring with underfloor heating throughout, a matching oak bespoke staircase with tasteful LED lighting. The ground floor has floor to ceiling windows throughout giving fully panoramic views of the wrap around garden and maximises the light from the south facing garden. The kitchen units are bespoke, with leatherned quartz worktops and a large matching leatherned quartz backsplash. There are bi-fold doors leading from the dining and pool table spaces opening up to a large porcelain patio.

The ground floor has a formal living room with a large bespoke TV unit with LED downlights and an 85” TV with a complete cinema sound system. A pool table orangery with LED lighting in the skylight and an office/studio/gym space in the large converted garage.

The house is a SMART HOUSE on a control 4 system which operates the electronic blinds, indoor/outdoor Phillips lighting, Heatmister heating, HIK security cameras, Texecom alarm, Hik door bell video and home sound system all from the touch pad screen on the wall in the kitchen, from the phone app or living room remote.

There are pairs of Titan music speakers in the ceilings throughout the house which are Alexa controlled, you can ask Alexa questions or ask her to play music in the kitchen, dining, living room, cinema room, bedrooms 1,2 and 3 and the main bedroom en-suite.

All downstairs lighting is dimmable through Control 4 with preset lighting scenes depending on the time of day. There are coloured spotlights around the pool table perfect for parties, and the office has an LED lighting system, blinds and air con again on Control 4. The blinds are automated, 8am open and to go down at dusk.

There is a Unify WiFi system with 4 hard wired receivers spread across the house so there are no ‘bad spots’ for WiFi and the TV’s are hard wired to the internet.
