Owner's View

Situated in the popular location of Woodfield Plantation the property is located close to local amenities, schools and transport links. I enjoy walking around the estate which has its very own duck pond. The property backs onto Woodfield Park and St Catherine's House which benefits from the Walled Garden and Tea Rooms. I have lived in the property since being built in 2005, the 4 storey mid townhouse property offers substantial space and a distinctive layout. The family bathroom has a jacuzzi bath and separate shower unit. The large kitchen/dinning area is great for entertaining and the patio doors open onto the garden. The garden captures the sun all day to which is perfect for outside dining. The garden is very easy to maintain and there is an outdoor electrical socket point and water tap. There is a really good community vibe, I enjoy socialising with neighbours and sharing a bottle of wine! This property must be viewed internally to fully appreciate the size and standard of the accommodation and the location of the property on offer.
